“5 Smart Things You Can Do With Your Smart Phone”

Presented By:

Liz Callihan, Realtor®, California State WCR DVP

Liz holds a Bachelor of Science in Information Technology and an MBA in Marketing. She is the Technical Liaison to the CA State Chapter of WCR and a member of the Santa Clara Chapter of WCR. She has nearly 20 years of professional computer and training experience. She is a Microsoft Certified Professional with certificates in Systems Engineering and the Microsoft Office Suite of Products. In addition, she is a Realtor® with Connect Realty.com, Inc. in San Jose. While very well versed in the technical aspects of computer/network repair and maintenance, teaching is her real passion. She truly enjoys helping take the “geek-speak” out of computer information while making it fun to learn
